Drawings

The new drawing sheet filed November 5, 2004 has been entered and approved.

Allowable Subject Matter

Claims 1-5, 8-16, 18 and 20 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the prior art of record fails to show a stool with leg supports including three metal brackets affixed to the bottom surface of the platform, three legs depending from the platform in alignment with the three metal brackets, each of the legs including a rigid post and padding material disposed around the post and having a top end and a bottom end, the top end of each post being affixed to the bottom surface of the platform by a hanger bolt connected to each of the metal brackets; and a shoe attached to the bottom end of each of the legs; wherein each shoe is equally spaced apart from each other by about 120 degrees, in combination with other specifically claimed features.

Regarding claim 20, a stool with leg supports including four metal brackets affixed to the bottom surface of the platform, four legs depending from the platform in
